

MAP OF THE PLANET MAILLO

FOREMOST AMONGST THE PLANETS OF THE NETWORKS IS *MAILLO MOTICO*, HOME TO A PEACEFUL HUMANOID SPECIES WHO COMPULSIVELY EXCHANGE THINGS AND TIRELESSLY HUNT DOWN POST OFFICES. *MAILLO MEN* LIVE IN ISOLATED COMMUNITIES MAKING PAPER PLANES AND VIRTUAL POSTAGE STAMPS FOR THEIR FRIENDS, THE *ARBITERS OF RAY* AND THE *PALS OF THE POST AGE*. *MAILLOES* BELIEVE THAT THEY ARE THE CHOSEN *SONS OF COMMUNICATION*, PRECURSORS OF THE PRESENT *ERA OF ELECTRICKERY*.

MAILLO MAN SPENDS MUCH OF THE TIME BEMOANING HIS LACK OF TIME. YET, BOTH TIME AND MONEY ARE PLENTIFUL ON MAILLO, INSPIRATION IS IN SHORT SUPPLY!
